§ 102.169

amount of the debt has been fully liquidated, the review is limited to ensuring that the liquidated amount is correctly represented in the notice.

(b) The debtor seeking review shall make the request in writing to the Agency, not more than 15 days from the date the demand letter was received by the debtor. The request for review shall state the basis for challenging the determination. If the debtor alleges that the Agency's information relating to the debt is not accurate, timely, relevant or complete, the debtor shall provide information or documentation to support this allegation.

(c) The Agency may effect an administrative offset against a payment to be made to a debtor prior to the completion of the due process procedures required by this subpart, if failure to take the offset would substantially prejudice the Agency's ability to collect the debt; for example, if the time before the payment is to be made would not reasonably permit the completion of due process procedures. Administrative offset effected prior to completion of due process procedures must be promptly followed by the completion of those procedures. Amounts recovered by administrative offset, but later found not owed to the Agency, will be promptly refunded.

(d) Upon completion of the review, the Agency's reviewing official shall transmit to the debtor the Agency's decision. If appropriate, this decision shall inform the debtor of the scheduled date on or after which administrative offset will begin. The decision shall also, if appropriate, indicate any changes in information to the extent such information differs from that provided in the initial notification to the debtor under § 102.161.

(e) Nothing in this subpart shall preclude the Agency from sua sponte reviewing the obligation of the debtor, including a reconsideration of the Agency's determination concerning the debt, and the accuracy, timeliness, relevance, and completeness of the information on which the debt is based.

§ 102.165 Cost shifting.

Costs incurred by the Agency in connection with referral of debts for ad-

ministrative offset will be added to the debt and thus increase the amount of the offset. Such costs may include administrative costs and attorneys fees.

§ 102.166 Additional administrative collection action.

Nothing contained in this subpart is intended to preclude the Agency from utilizing any other administrative or legal remedy which may be available.

§ 102.167 Prior provision of rights with respect to debt.

To the extent that the rights of the debtor in relation to the same debt have been previously provided for under some other statutory or regulatory authority, the Agency is not required to duplicate those efforts before effecting administrative offset.

§ 102.168 Federal income tax refund offset; purpose and scope.

The regulations in this subpart specify the Agency procedures that will be followed in order to implement the Federal income tax refund offset procedures set forth in 26 U.S.C. 6402(d) of the Internal Revenue Code (Code), 31 U.S.C. 3720A, and 301.6402-6 of the Treasury Regulations on Procedure and Administration (26 CFR 301.6402-6). This statute and the implementing regulations of the Internal Revenue Service (IRS) at 26 CFR 301.6402-6 authorize the IRS to reduce a tax refund by the amount of a past-due legally enforceable debt owed to the United States. The regulations apply to past-due legally enforceable debts owed to the Agency by individuals and business entities. The regulations are not intended to limit or restrict debtor access to any judicial remedies to which he or she may otherwise be entitled.
